

2023 MEDIA KIT

- SPONSOR -

OUR CONCEPT

The spring of 2023 will mark the fourteenth year of production for **BC Outdoors Sport Fishing TV**. We are an established brand and are looking forward to continuing the successful expansion of **BC Outdoors Sport Fishing TV**. We are inspired to help our sponsors gain their own secure co-branding right along with us.

BC Outdoors Sport Fishing TV takes our 70-year-old fishing, hunting and outdoor magazine experience to high-definition television. We bring the pages of our magazine alive with breathtaking scenery, world-famous fishing opportunities, and the knowledge and expertise of our host/editor, Mike Mitchell.

While the main focus is on informing, explaining and teaching our audience, we also want to grow this rewarding sport by showing viewers how easy and fulfilling fishing can really be.

We provide magnificent eye candy through beautiful cinematography featuring beautiful fish, and stunning scenery. We will educate the viewers on how and what to use to be successful during their day out on the water. Every show features local experts in the industry as co-hosts, each sharing their unique expertise to enhance the quality of the show.

TESTIMONIALS

We have worked with **BC Outdoors Sport Fishing TV** since 2016 and look forward to continuing our relationship for many years to come.

Mike and his team understand who we are: our values, dedication to conservation and respect for the environment where we are fortunate enough to operate our Lodge. With every episode that is filmed, through print or social media, BCOSF captures this and introduces us to an audience that we would not have access to on our own. The day after a Duncanby show airs our phone lights up with anglers from all over Canada and the US wanting to know more about us.

When Mike is at the Lodge filming our Crew and guests are excited to see him and chat about what is happening in the industry. The whole BCOSF Team are professional, passionate and all-around good people that we are proud to have as business partners and friends.

If you are looking to promote your Lodge or product, you will not find a better organization to help you grow your business.

Sid Keay,
Owner of Duncanby Lodge

We have worked with Mike Mitchell and the crew of **BC Outdoors Sport Fishing TV** since its inception, which spans many seasons.

Over this time, Mike has acted as an ambassador to our brand(s). We have relied on him and his team heavily to help market our multiple brands and reach our target audiences. The TV shows have always been top quality, demonstrating the highest level of professionalism. Every season, they have added new ways to make the final product better, striving to deliver his audience with quality fishing content from stunning locations. The staff excels at efficiently promoting our brands be it television, print, trade shows, web or social media.

The expert knowledge that he and his quest hosts provide add credibility to our brands and reinforce the other marketing programs that we utilize. In the end have increased sales at retail. We have received many inquiries and compliments from consumers that are generated directly from working with **BC Outdoors Sport Fishing TV** and Mike Mitchell. He has consistently provided new sales leads and helped to expand our product listings into new regions.

I would highly recommend Mike and his staff for the ability to promote and represent brands in the fishing and outdoor sports category.

Tom McMurray
Director, Advertising & Creative
Rapala Canada
